

10 November 1959

Chief, Chemical Officer
Via Chief, Chemical Corps Intelligence Agency
U.S. Army Chemical Corps
Arlington Hall Station
Washington, D. C.

Dear Sir:

One of my analysts, [] would like to visit the Chemical Corps Proving Ground at Dugway, Utah, the week of 30 November, followed by visits to the Rocky Mountain Arsenal at Denver, Colorado, and Pine Bluffs Arsenal, Pine Bluffs, Arkansas, on 4 and 7 December. He will be accompanied by Captain Howard D. Palmquist, U.S. Army, and Mr. Robert H. Snedeker, U.S. Navy. This group is interested in examining BW/CW testing and production facilities. All three men have top secret clearances which will be validated through appropriate channels. Permission for all three men to visit these installations is requested.

25X1

Permission is also requested for [] to take exterior photographs of these installations, subject to your classification.

25X1

Your help in this matter would be greatly appreciated.

Sincerely yours,

[]
Arthur C. Lundahl
Director
Photographic Intelligence Center
